

For Our Veterans

O Lord, today we thank You for our veterans, for their willingness to risk all so that our nation might dwell in peace and safety. May they find the honor and recognition they truly deserve. We pray that You will heal the physical, spiritual, and psychological wounds some of these veterans have suffered. Bring a lasting peace to those who mourn the loss of comrades. Help them to find Your love and mercy, so that they may cope with the actions they may have had to take while they served our country. Make them realize that the rules of engagement in war do not always follow the laws of Christianity, but give them solace by Your scripture passages that show them that sometimes battle is necessary for the common good.

May we be thankful for the gifts of freedom that our veterans give us as we remember the birth of Your son.

Amen.
